ER IM 73-54, South Africa: Prospects
for Gold Sales, July 1973, Confidential *Copy # 21*

EIC R14-S28, Aid and Trade Activities
of Communist Countries in Less
Developed Areas of the Free World, *Copy # 719*
1973, March 1974, Secret

State INR RECS-10, Communist States
and Developing Countries: Aid and
Trade in 1972, June 15, 1973, *Unreviewed
Copy*
Unclassified

2. You will note that several of the titles are different from those requested by GAO. This is the result of GAO having gotten titles from a list of

projects in process. It seems fairly clear to me that GAO got these titles from the CIEP Quarterly Inventory of Economic Research. The unclassified State version of the EIC Annual for 1973 has not yet been published so I have included the 1972 report.
